Dedicated Email

Exclusive promotional emails that drive performance and revenue

An Untapped Opportunity

Dedicated Email delivers high-performance audience engagement for advertisers and premium revenue for publishers. But running dedicated programs takes time and resources, which many publishers don't have. That means they're missing out on this valuable monetization opportunity.

Let Jeeng do the heavy lifting for you!

Our Dedicated Email service provides custom matchmaking to pair publishers with advertisers for dedicated sends that maximize ROI and value for both.

It's a perfect match!

For advertisers, Jeeng Dedicated Email allows you to:

- Reach millions of highly engaged, opt-in subscribers across trusted publishers
- Deliver your ads into email lists with up to 34% average open rate and up to 5% CTR
- Offer simultaneous placement options across the Jeeng publisher network
- Provide complete reporting metrics directly from the ESP
- 100% share of voice in publisher newsletters with full takeover of subject line and body of email

For publishers, Jeeng Dedicated Email makes it easy to:

- Add a premium email inventory option to maximize revenue
- Deliver relevant ads that resonate and maintain trust with subscribers
- White glove service, handling the entire process from A-Z
- Earn maximum revenue with our assistance on negotiating pricing and placement
- Fill all available dedicated send inventory with our curated advertisers

Ready to tap into the power of Dedicated Email?

With Jeeng, you can be up and running in just a few days. And the best part is, you can work with the same great Jeeng team you already trust with the convenience of one-stop-shop email advertising services.
